

Tournament Registration, Payout, Rules and Regulations

- You must be a current APA member to register for any tournament.
- Any member who is currently suspended in their local area, or has a national suspension, will not be allowed to participate in these events.
- All participants must have ten (10) actual League scores in one format within the last two years (either 8-Ball or 9-Ball). (5 scores in 8-Ball & 5 scores in 9-Ball **will not** be considered 10 scores.)
- If a player has the required 10 scores in 8-Ball they may participate in a 9-Ball MiniMania Event, however their skill level will be raised one level. (8-Ball skill level is a 4, the 9-Ball skill level is a 5, except skill level 7s must compete as 9s).
- A player with the required 10 scores in 9-Ball may participate in an 8-Ball MiniMania Event; however their skill level will be raised one level. (9-Ball skill level is a 4, the 8-Ball skill level is a 5).
- If a player has 10 scores – but not within the past two years – in either format they will have to play at one skill level higher than their established skill level.
- In order to conduct a fair and equal tournament for all APA players, APA must ensure that all participants are playing at skill levels that are not below their true ability. Handicap manipulation compromises the fairness and integrity of tournament play and cannot be tolerated. Accordingly, APA may disqualify any player if, in APA's sole judgment and absolute discretion, the player is deemed by APA to be playing at a skill level below his/her true ability. The determination of whether a player is playing at a skill level below his/her true ability is necessarily subjective; APA is the sole judge of a player's ability and may make such a determination in its absolute judgment and discretion.
- Your current APA membership card is required. Any player who does not have a membership card may obtain a temporary card at the MiniMania Control Table for \$5.00.
- There is a **24-hour** event registration window.
