

**ATTENTION: QUALIFIED TEAMS  
NATIONAL 8-BALL & 9-BALL TEAM CHAMPIONSHIPS**

At Tournament Registration, each Team Captain receives a Team Envelope containing important tournament information. On the outside of the Team Envelope, in the upper right-hand corner, is a label printed with the team's name and their **FIRST Match Number\***. After registering, Team Captains and their teams have the opportunity to check their position on the Tournament Board in the NTC Main Tournament Room to find out what time they are scheduled to play their first match. Match Numbers and Match Times are displayed next to the Tournament Board, and are also printed in the Souvenir Programs you receive when you register.

**\*Note:** We no longer post first Match Numbers in advance on our Web site. It has been our experience that some Team Captains choose not to register their teams at the scheduled time, and/or choose to skip the Team Captains Meeting if they learn their team's first match isn't scheduled to take place during the early rounds. **It is very important for Team Captains to register their teams during the scheduled times, and it is equally important for Team Captains to attend the scheduled Team Captains Meeting.**
